

MONSOON

336

Cold Water Electric
High Pressure Cleaner Compact Line

Compact Line Cold Water Electric High Pressure Cleaner

The *Monsoon 336* is a powerful and highly compact and versatile high pressure cleaner. It can be configured in various modes: as a portable hand-held, trolley-mounted unit, or wall-mounted unit. This size and flexibility makes it extremely suitable for use in small establishments and premises for multi-purpose indoor high pressure cleaning, yet can be easily transformed for outdoor cleaning applications.

- Compact and portable design with built in carrying handle
- Powerful output of 160 bar and 540 ltr/hr
- Induction motor with low noise level

- Total stop during trigger release

- Complete standard accessories set with gun, lance and 8m hose

- 1 - INDUSTRIAL PLUNGER PUMP WITH BRASS HEAD AND CERAMIC PISTONS
- 2 - ADJUSTABLE PRESSURE SYSTEM
- 3 - PROFESSIONAL INDUCTION MOTOR
