

ROCK 8

Ride-on Scrubber Dryer

better products
cleaner environment

TECHNICAL DATA

Rock 8

Cleaning efficiency (max.)	4,800 m ² /hr
Cleaning width	800 mm
Brush pressure	35 kg, 45 kg, 60 kg
Brush rotation speed	200 rpm
Brush motor power	24V 500W x 2
Solution tank capacity	130 L
Recovery tank capacity	150 L
Squeegee width	1150 mm
Vacuum motor	24V 500W 3 stages
Operating speed (max.)	6 km/hr
Gradeability	15%
Drive motor	24V 760W
Continuous operation	3.5hrs
Charging time	3.5hrs
Battery lithium-ion life P04	24V/ 210Ah
Battery weight	45 kg
Machine weight	170 kg
Dimensions (L x W x H)	1630 x 870 x 1400 mm

ROCK 8

Ride-on Scrubber Dryer

Special Features

- Auto brush attach and release
- Brush down pressure of 35kg, 45kg, 60kg @ 200rpm
- Strong vacuum power with auto cut-off when recovery tank is full
- No tools squeegee change with breakaway system
- Auto scrub head and squeegee lift when reversing
- 180° turning on the spot
- 15% climbing gradeability
- Seat safety sensor

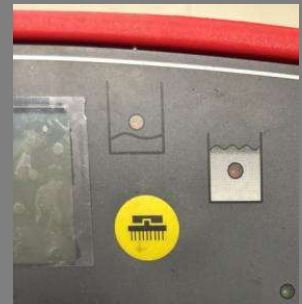

Lithium-Ion batteries
with 3 years warranty

External charging socket

15% Climbing gradeability

Solution tank empty and
recovery tank full indicators
