

TYPHOON

KW22

Spray Extraction Carpet & Sofa Cleaner

Typhoon KW22 spray and vacuum carpet cleaner provides gentle yet effective cleaning for carpets and textile upholstery, including sofas, curtains, velvet walls, dining and office chairs, car seats, headboards, and more.

Designed with a sturdy ABS body and a powerful motor, Typhoon KW22 is built for durability and ideal for commercial use in restaurants, offices, hotels, hospitals, theaters, and airports. Its lightweight design, equipped with durable castors, allows for easy transport, helping to reduce operator workload.

Key Features

- **Multipurpose Cleaning**
Delivers superior cleaning performance on carpets to upholstery in various settings.
- **Optimal Vacuuming**
Equipped with floor-wand spray head for effective wet pick-up.
- **Powerful Suction and Quick Drying**
High-efficiency motor ensures strong suction power, speeding up drying time and minimizing moisture residue.
- **Effortless Transport**
Lightweight design with five sturdy castors allows for easy movement and transport.

Strong suction
without residue
